LECTURES AND OTHER PRESENTATIONS

International

- 1 Workshop Adolescent Inpatient Units and Outpatient Programs: Society for Adolescent Medicine Annual Meeting, Vancouver, **Canada** March 1995
- 2 Workshop Adolescence & preventive strategies: An American Perspective. International Workshop, 5th Annual Youth Congress, Weimar, **Germany**, March 11-14, 1999.
- 3 Postgraduate Course: Co-Course Director and Presenter, Primary Care Sports Medicine, Indian Academy of Sports Medicine, December 8-13, 2000, Jaipur, **India**

- 4 Lecture: Management of ankle sprains.
Lecture: Diagnosis and management of overuse injuries.
Lecture: Shoes, orthoses, and braces in sports.
Lecture: Guidelines for sports participation in athlete with cervical spine injuries and disorders.
Lecture: Injuries in cricket.
Lecture: Management of common hand and wrist injuries.
Lecture: Analgesics, anti-inflammatory medications, and joint and tendon injections.
Workshop: Knee examination and acute knee injuries
Workshop: Shoulder examination and acute shoulder injuries.
Workshop: Elbow examination and selected injuries. Panel
Discussion: The Pediatric Athlete.
- 5 Speaker: Special Lecture Overview of Sports Medicine for Pediatricians, Emma Children's Hospital, Amsterdam Medical College, Amsterdam, **Netherlands**, 12/19/00

Speaker: Special Lecture: Overuse injuries in sports. Leiden University Medical Center, Leiden, **Netherlands**, 12/20/00
- 6 Post-Graduate Course, Co-Course Director and Presenter: International Training Program in Adolescent Health, Indian Academy of Pediatrics, New Delhi, **India** 12/2-7, 2002

Lectures presented:
Adolescent nutrition
Role of supplementary diet
Obsessive compulsive neurosis
Eating disorders
Psychosomatic disorders
Adolescent office counseling
- 7 Lectures presented the Donetsk Regional Maternity and Childcare Postgraduate Comprehensive Course in Adolescent and Youth Health, Svyatogorsk, **Ukraine**, Sept 12-15, 2005

Adolescent acne
Adolescent pregnancy
Sexually transmitted infections
HIV in adolescents
Female athlete triad
- 8 3rd World Congress on Child Health and Disability, Jerusalem, **Israel**, December 2012
Invited workshop presentation: Sports Medicine
Workshop Leader: Adolescents and Sports
- 9 Invited Speaker: International Scholar Special Lecture: Recent Advances in Pediatric Sports Medicine in the United States, International Congress on Sportology, Juntendo University, Tokyo, **Japan**, September 12, 2015

National

- 9 Workshop Professional development of the pediatric resident : The program director's role in facilitating mentally healthy residency training environments at the annual meeting of the Association of Pediatric Program Directors , May 1, 1997, Washington DC.

- 10 Panel consultant Knee injuries: Clinical case presentations. American College of Sports Medicine Annual Meeting, Orlando, FL, June 1998.
- 11 Workshop Hands-on physical examination of the upper extremities and spine. American Academy of Pediatrics Annual Meeting, San Francisco, October 17 and 18, 1998.
- 12 Plenary Performance enhancing drugs and supplements. American Academy of Pediatrics Annual Meeting, San Francisco, October 20, 1998.
- 13 Selected short subjects Sports Performance Enhancement. American Academy of Pediatrics Spring Session, Chicago, IL, April 18, 1999
- 14 Mini-Course Current concepts in Adolescent Sports Medicine. Pediatric Academic Societies Meeting, San Francisco, CA, May 1, 1999
- 15 Mini-Symposium. The Breast and sports: Issues for the clinicians. American College of Sports Medicine Annual Meeting, Seattle, WA, June 2-6, 1999
- 16 Special Presentation Homeless youth in United States, American Academy of Pediatrics National Conference, Chicago, IL, November 1, 2000
- 17 Workshop Medical encounters with adolescent athletes. Society for Adolescent Medicine Annual Meeting, San Diego, CA, 3/24/01
- 18 Mini-Symposium. Contagious Disease in Sports. American College of Sports Medicine Annual Scientific Meeting. Baltimore, MD, 5/31/01
- 19 Clinical Lecture More than sprains and strains: Psychosocial aspect of youth sports. American College of Sports Medicine, 2002 annual meeting, St. Louis, MO
- 20 Mini Course Sports and Chronic disease. Pediatric Academic Societies Annual Meeting, May 2002, Baltimore, MD.
- 21 Mini Course Science of Gateway Drugs: Tobacco, marijuana, and alcohol, Pediatric Academic Societies Meeting, May 2003, Seattle, WA
- 22 Workshop A developmental perspective of adolescent sport participation, Society for Adolescent Medicine Annual Meeting, St Louis, MO, March 24-28, 2004
- 23 Mini Course: Lecture: Science of sports doping drugs, Pediatric Academic Societies Meeting, San Francisco, CA, May 1-4, 2004
- 24 Mini Course Lecture. Emergency Contraception, Pediatric Academic Societies, Washington DC, May 2005
- 25 Institute: Emergency medicine problems in adolescents, Society for Adolescent Medicine, March 2007, Denver, CO
- 26 Key note: Sport-related concussions in young athletes, 29th Annual Novemberfest, November 2009, Temple University School of Medicine, Atlantic City, New Jersey
