- *Member of preparatory meeting for the 25th International Congress of Pediatrics, Athens 2007 at Crete, Greece, on 28th may 2004*
- *Member International scientific committee 3rd world congress of Pediatrics infectious diseases held in Chile in Nov 2002*

5 SY Bhave: Research Details

From 1981 to 2001

Areas of Research

- 1) General Pediatrics
- 2) Pediatric Pulmonology
- 3) Immunization
- 4) Infectious diseases

from 2001 to date

Areas of Research

- 1) Adolescent physical and mental health
- 2) Multicentre youth behavior studies
- 3) Awareness and prevention of NCD's in children and youth

Presented many papers in various National and international conferences and received awards for some (Award list put in section on awards)
